

Senate Republican Jobs Plan

An outline for creating American jobs and prosperity

Begin Living Within Our Means

- *Require a Balanced Budget Amendment to the Constitution.*
- *Require a Statutory Spending Limit.*
- *Cut Spending to Immediately and Substantially Reduce Deficits.*

Reform Tax Code To Spur Economic Growth

- *Simplify and Reduce Business and Individual Tax Rates.*
- *Make Research and Development Tax Credit Permanent.*
- *Extend and Make Permanent the Small Business Investment Tax Incentive.*
- *Reduce Taxes on Capital Gains and Dividends.*

Unburden The Economy From Washington Regulations

- *Codify the President's Proposal to Require Cost Benefit Analysis in the Formulation of Regulations.*
- *Support passage of S.299 REINS Act.*
- *Prohibit EPA from Regulating Greenhouse Gases under the Clean Air Act.*

Create Competitive Workforce

- *Reform Federal Retraining Programs.*
- *Stop Card-Check.*

Increase Exports To Create More Jobs

- *Ratify Three Pending Export-Opening Agreements.*
- *Provide Trade Promotion Authority for the President.*

Power America's Economy

- *Lift the Outer Continental Shelf Prohibitions.*
- *Increase Federal Loan Guarantee Authority for Nuclear Power.*
- *Require Greater Access to Federal Lands for Exploration of Resources.*

Adopt Common Sense Health Care Solutions

- *Repeal ObamaCare.*
- *Enact Meaningful Medical Malpractice Reform.*
- *Allow for Purchases of Insurance Across State Lines.*
- *Provide Additional Risk Pools for Small Business.*
- *Strengthen Health Savings Accounts and Patient-Centric Health Care.*
